ABSTRACT

This publication offers an update in concise form of pertinent information for teachers, administrators, librarians, counselors, and other school personnel on certification requirements. Recommendations of regional and national associations regarding school staff responsibilities and school policies are presented, as well as current addresses for sources of information regarding teacher applications in the United States and its territories. Certification requirements are listed for each of the 50 states and the District of Columbia. An appendix provides the address of the state department of education of each state. (CK)
